Informed Consent: I understand that this workshop is intended only as training, not as therapy. I am aware that psychodrama, sociometry, and group psychotherapy are powerful methods that must be used carefully. I understand that this is an experiential workshop, that is, I will be allowed and encouraged to participate actively. I understand that as a result of my participation, therapeutic issues for further exploration may be revealed and that it is my responsibility to seek professional services for therapy, if such a need should arise. Workshop leaders are available to make referrals to professionals in my area.
